

Worksheet 15: Environmental change

Air freight, UK exports and imports

- 1
 - a What is air freight?
 - b In what type of aircraft is air freight carried?
 - c How does the volume of global air freight compare with the volume of other modes of freight?
 - d What would you expect the relationship to be between the value and the volume of air freight compared to the value and volume of other modes of freight?

- 2 Study Figures 15.1 and 15.2.

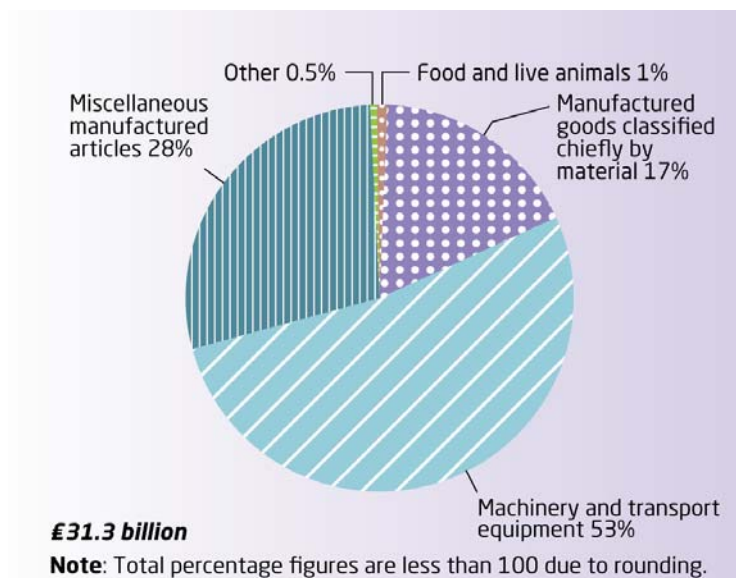

Figure 15.1 UK air freight exports.
