

Recommended resources

Suggestions for further reading to extend and deepen knowledge and add context.

Topic 8

www.prb.org

Population Reference Bureau. This Washington-based organisation provides a wide range of resources relating to human populations. The annually updated World Population Data Sheet is its most popular and widely used resource.

www.demographic-research.org

A journal of population sciences published by the Max Planck Institute for Demographic Research in Rostock, Germany.

www.populationmatters.org

Population Matters – promoting a sustainable family size and mindful consumption.

www.chinadaily.com.cn

A useful source of up-to-date information on China's population and related issues.

www.footprint.wwf.org.uk

WWF footprint calculator. Our lifestyle choices make up our environmental footprint. Measuring yours takes less than five minutes on this site.

www.monbiot.com

The blog of the *Guardian* (UK) journalist George Monbiot – his views on population and a range of other Environmental Systems and Societies (ESS) syllabus issues.

www.curriculum-press.co.uk

Geography factsheet no. 265: 'Is there a new population bomb to diffuse?'

Geography factsheet no. 183: 'Eco-footprints'.
