(b) De	escribe how a cookie could enhance the experience of the user on the PTC web site.
(b) De	escribe how a cookie could enhance the experience of the user on the PTC web site.
(b) De	escribe how a cookie could enhance the experience of the user on the PTC web site.

2.	The database used by the PTC needs to conform to the ACID (atomi	icity, consistency, iso	lation
	and durability) rules.		

With reference to a customer making an online booking with the PTC for seats using a credit card, explain how the lack of conformity with **two** of the ACID rules affects the successful functioning of the PTC database booking system.
